WONDER WHO ISZY?

There was a man in Washington  
Who was so wondrous wise  
He jumped into a message bush  
And used up all his "Is."

And when he saw his "Is" were out  
With all his energies  
He jumped into another bush  
And cornered all the "Me's."

Wheat that was thought would make thirty  
bushels now seems will only make fifteen  
bushels to the acre, one rain that was missed  
at sowing time causing the decline.

It's very much against our inclination, as  
well as taste, to make the statement, but po-  
tatoes are about as small and few in the bill as  
we ever have known hereabouts. Rain didn't  
come in time.

Mrs. Samuel Worthington of Fernleaf is per-  
haps the oldest lady in the county, being 92  
years of age in August. She is the daughter  
of Daniel Ronyon, who lived near Minerva,  
and was noted for integrity and piety.

## We Have Trimmed Coal Prices to the Lowest Notch

### ONLY WITH DUKE

#### Will Kentucky Equity Society Deal, and it Must Be in Person

It is stated that the Executive Committee  
of the Burley Tobacco Branch of the Society  
of Equity, at a conference in Winchester Wed-  
nesday, determined to deal only with James B.  
Duke, President of the American Tobacco Com-  
pany, in the matter of the proposal to buy the  
pooled tobacco in its entirety.

It is further stated that if the American  
Company wants this tobacco it will be neces-  
sary for Duke to make a personal visit to Ken-  
tucky. The Equity people have put aside propo-  
sitions of minor officials of the combine.

It is likely that the extreme heat of the past  
week has done much damage to tobacco plants  
in Central Kentucky. It was recently esti-

mated that the crop of 1908 would be 8,000-  
000 pounds. Now it is claimed the growers  
will be fortunate if they can muster 1,000-  
000.

Twenty-six deaths from heat prostration  
was Kentucky's contribution on Sunday, Mon-  
day and Tuesday of this week.

The home of Mr. J. J. Peed near Millersburg  
was entered Tuesday night last by a thief and  
robbed. The thief entered through a front  
window, took some money from a hand satchel  
that had been left in the hall, went up stairs  
and entered the room of Miss Dorothy Peed,  
opened her trunk and took her jewelry case,  
which contained a number of valuable articles.  
No clue has yet been found that will lead to  
the apprehension of the thief.

Co., of New York 237 head for over \$24,000,  
or \$6.85 per hundred pounds. The cattle will  
weigh 1,000 pounds and will go in September.  
It is the prize bunch in the Bluegrass, and the

A GENTLEMAN, a Prohibitionist and one who thinks he is a Democrat, wants to know: How much did The Louisville Courier-Journal and The Times get from the Whisky Trust for switching the Democratic party from a temperance party to a whisky party? We don't know.—Winchester Sun-Sentinel.

THE story of Cincinnati's rise to untold prosperity and wealth is almost past belief. The proof sheets of the annual report of the Chamber of Commerce show that in 1907 the total value of the products of all Cincinnati factories was, in round numbers, \$351,000,000, as compared with \$345,000,000 for 1906, a gain of \$6,000,000, and which shows that the so-called panic hasn't struck the Queen City very hard.

At the session of the National Negro Teachers' Association at Louisville this week, GROVER CLEVELAND's memory was duly honored as a warm friend of the colored race. Prof. J. B. DUDLEY of Greensboro, N. C., paid an eloquent tribute to the late President of the United States, as a friend of the race and a patron of Negro education. He was given rapt attention, and at the conclusion of his eulogy Prof. MEYER of Louisville offered a second to a motion that fitting resolutions be drafted by an appointed committee and placed on the minutes of the Association and copies given to the press and sent to the Cleveland family. The Association adopted the resolution unanimously.

"IN DE NATCHAL WAR."

**Success Magazine.**

A rich Northerner, walking about in a Southern Negro settlement, came upon a house around which several children were playing. Seeing that the family was destitute, he called the oldest Negro boy and gave him a dollar, telling him to spend it for a Christmas turkey. As soon as the generous man had gone, the Negro woman called her boy and said, "Thomas, yo' gimme dat dollah and go git dat turkey in de natchal way."

**Deafness Cannot be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; hence cases of deafness caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

**BEST Fly Catcher YET DEVISED**

Better than poison fly paper, because safe to use. Better than insect powder, because cleaner. Better than old-fashioned sticky fly paper, because its peculiar scent attracts flies, mosquitoes, etc. It catches five times as many flies to the square inch and lasts longer.

**FLY RIBBON**

is ideal. It is put up in neat little triangular carton, which is to be suspended from chandelier. Three or four inches only of ribbon are exposed at a time. Carton contains 36 inches of ribbon. Warranted not to drip. Price 5 cents. We can supply you with Fly Buttons, Tanglefoot, etc., if you prefer them.

**How to Cure Indigestion**

**Well Known Family Physician Gives Good Advice**

"When a person cannot eat ordinary food without discomfort afterward, when he has heartburn, sick headache, gas on the stomach, water brash, belches up sour food, and this condition has continued for a week or more, it certainly is time to do something and do it quickly." That's what a popular physician recently said to the writer. "First thing you know you'll have dyspepsia if you don't," said he.

The quickest and best way to regain your normal condition is to step into the drug store and buy a 50c bottle of Dr. Caldwell's Syrup Pepsin. It gives natural, daily movements to the bowels, and that is usually where more than half the trouble lies. Then it aids digestion, sweetens the stomach, acts on the liver and is a general system tonic.

Postmaster Ridgill, of Bruceville, Tex., had such a severe attack of dyspepsia that his stomach, liver and bowels seemed almost paralyzed, but a few doses of Dr. Caldwell's Syrup Pepsin relieved him and today he is well as ever. Maude Hall, Alpena, Mich., says that one bottle cured her of a very severe case of indigestion. A. L. Espich, Chief of Police, New Philadelphia, Ohio, says: "I find Dr. Caldwell's Syrup Pepsin the best remedy for indigestion I ever used. I would not be without it." Rev. A. J. Fletcher, Rutherford, Tenn., is now 80, and yet it cured him of stomach trouble of 60 years' standing. Mrs. Mattie Crouch, Tiptonville, Tenn., cured her five months' old baby of indigestion with it, so you see that while it is so effective it will cure cases of long standing of dyspepsia and constipation in old people, it is perfectly safe for babies, and it is pleasant to take, and does not pain or gripe.

All druggists sell it at 50c and \$1.00 per bottle. Pepsin Syrup Co., 307 Caldwell Bldg., Monticello, Ill., are glad to send a free sample to any one who has not used it and will give it a fair trial.

OBSEQUIES

Of Former President Cleveland Semi-Private—President Roosevelt and Many Notables in Attendance

With simple ceremonies of the Presbyterian faith, the remains of former President Cleveland were laid to rest in the Princeton Cemetery yesterday afternoon at 6 o'clock. The interment was beside the ivy-covered mound of his daughter, Ruth.

President Roosevelt and many notables were present.

The last honors paid the dead statesman were strictly private, both at "Westland," the Cleveland residence, and at the cemetery, in compliance with the wishes not only of Mrs. Cleveland, but those of Mr. Cleveland as well.

The services at the house, which began at 5 o'clock, lasted about half an hour. The Clergymen, who alternated in the ceremonies there and at the grave were the Rev. Henry VanDyke of Princeton University, the Rev. Dr. William Richards of the Brick Presbyterian Church, New York, the Rev. Sylvester W. Beach, Pastor of the First Presbyterian Church of Princeton, in which Mrs. Cleveland is a communicant, and the Rev. Maitland V. Bartlett, a former Pastor of Mrs. Cleveland, and the present Pastor of the West Farms Presbyterian Church of New York.

The active pallbearers were chosen by Mrs. Cleveland and were Mayor George B. McClellan of New York, Commodore E. C. Benedict, Dr. Richard Watson Gilder, Dr. John H. Finley, Prof. Paul VanDyke of Princeton Graduate Seminary, Prof. John G. Hibben of Princeton University, Paul Morton, ex-Secretary of the Navy, Prof. Howard McClellan of Princeton University and Archibald Russell, Junius S. Morgan and Bayard Stockton, Trustees of Princeton University.

The services at the home and at the cemetery were very brief.

The streets from "Westland" to the Cemetery were guarded by mounted troopers and members of the New Jersey State Militia.

Many beautiful floral tributes were received at "Westland" and thousands of messages and letters of sympathy were received.

Twenty-six carriages conveyed the funeral party to the cemetery. The seventh carriage was occupied by Mr. and Mrs. Roosevelt, followed by a carriage containing secret service men. The eleventh carriage was occupied by Judge Harmon of Cincinnati, Attorney General under Cleveland, Richard Olney, former Secretary of State, Charles S. Fairchild, former Secretary of the Treasury, and David R. Francis, former Secretary of the Interior.

Immediately after the interment President Roosevelt and party returned to Oyster Bay.

In every part of the world where there was an American flag floating tributes of respect were paid to Cleveland's memory.

First Presbyterian Church, preaching tomorrow by Rev. John Barbour at 10:45 a. m. At night Rev. Mr. Chatham of the M. E. Church, South, will preach, the Pastor taking Mr. Chatham's pulpit.

Police Court.

Mrs. Cooper and Mrs. Nelson, colored, attended a "Club Dance" in Sutton street Thursday night, and after the fandango was over and the ladies full of fighting buoyancy they engaged in a fierce encounter, in which mineral water bottles were used on each (there) heads with telling effect and considerable blood letting. "Twas midnight and they made the welkin ring with their bacchanalian battle cry as they fought like two enraged tigers. When the merry widow war was at its height Policeman Crawford appeared on the scene and quieted the troubled waters by taking the combatants in charge and locking them up in Jail. In Police Court yesterday they were fined \$10, and costs apiece, and in default now languish in Jail.

You Would Feel Better If You Had a

Good Summer Tonic

Most people at this time of the year need a good general system tonic. Even those who take the very best care of themselves find that they are obliged in the hot weather to tone up the system. You may not feel the need of it this week, but you will before long;

The man who wears our clothes may well be joyful. He is happy in the knowledge that he has obtained the greatest value for his money as our suits are well-known for their perfect fitting and their lateness of style.

#### HIDDEN DANGERS.

Nature Gives Timely Warnings That No Maysville Citizen Can Afford to Ignore.

DANGER SIGNAL No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL No. 2 comes from the back. Back pains, dull and heavy or sharp and acute tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently.

Here's Maysville proof:

Mrs. Harvey Lyons, living in the Western part of Maysville, Ky., says:

"In my estimation Doan's Kidney Pills are an ideal kidney remedy, and I have no hesitancy in so expressing myself. My husband was bothered a great deal by a severe pain across his back, and although his condition was never so serious that he was obliged to lay off from work, he nevertheless was in misery. An added source of annoyance was the irregular action of the kidney secretions, this symptom denoting that his trouble arose from disordered kidneys. Being advised to try Doan's Kidney Pills, he procured a supply at J. J. Wood & Son's Drugstore, and they acted just as beneficially in his case as in many others that he had read about. A short use entirely cured him, and up to the present time there has been no return of the trouble. Recently I was suddenly afflicted with a similar trouble, but began taking Doan's Kidney Pills, and from the beneficial result already received I look forward to a complete cure."

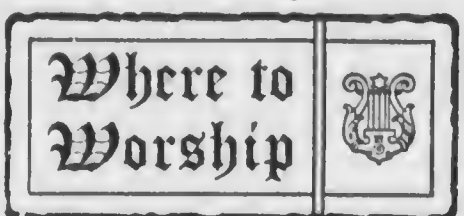

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The alarm of fire yesterday noon was caused by a defective gas in a frame house in Third street, between Poplar and Lexington streets, and occupied by Charles Watson and belonging to W. W. Ball. The flame was extinguished by the Amazon Fire Company. Loss slight.

## Did You Ever

Stop to think that if you personally selected the cloth for your own garments you would look different from the rank and file you meet, and that if this cloth were made to your own measure and skillfully and honestly tailored by hand, you would have clothes that fit you more perfectly and give you better service than the clothing worn by the masses? Think it over, then have me make you a suit from the cloth and fashion your like best; you will then understand what real merchant tailoring is. The cost is but slight compared with the value given.
